

SUPERMARKET CUSTOMER ALERT

Help Prevent a Potential Strike at Local Supermarkets Pathmark, Stop & Shop, and King Kullen

On June 26, 2010, the Union Contract covering the members of United Food and Commercial Workers Local 1500 who work for Stop & Shop, Pathmark and King Kullen expires. As we begin to grow closer and closer to June 26, we also grow closer to the possibility of a strike.

It is not the intention of the members of UFCW Local 1500 (the employees of these stores), to cause you any inconvenience. In fact, many of these workers are your friends and neighbors. However, the workers are fighting for their livelihoods and for the futures of their families.

YOU CAN HELP THESE WORKERS AVOID A STRIKE!

You can help avoid a strike, contact the store manager at your local Stop & Shop, Pathmark or King Kullen and ask them to negotiate in good faith and simply provide the workers with a fair contract they deserve.

The phone number for company headquarters of each supermarket are:

Stop & Shop 1-800-767-7772 - Press 1 and then press 0

Pathmark 1-866-443-7374 - Press 4 and then press 2

King Kullen 1-516-733-7100

The workers of these stores thank you for your support and understanding!
