Important Questions	Answers	Why This Matters:
What is the overall deductible?	$5,600/per calendar year; medical benefits only	The Fund pays the 1st $400 @ 100% of the Anthem allowance for all eligible expenses, then **deductible** is applied. Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. The **deductible** applies to medical benefits only
Are there services covered before you meet your deductible?	Yes. **Preventive** care and the 1st $400 @ 100% of the Anthem allowance for all eligible expenses	For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive services** at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	For Medical Benefits $5,600, for Prescription Drug Benefits $1,000	The **out-of-pocket limit** is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	**Premiums**, **balance-billing** charges, and health care this **plan** doesn't cover	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See www.anthem.com or call 1-800-810-BLUE for a list of **network providers**	This plan uses a **provider network**. You will pay less if you use a **provider** in the **plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services. **Balance billing** does not apply to services protected by the Federal "No Surprises Act".
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without a **referral**.
